PROFILE

My name is Abdul-Lateef Sakariyau and I'm a Full-Stack developer. I'm proficient in English Language. My skill sets are HTML,CSS, JavaScript, Node.Js, Express.js, React, Bootstrap. I look forward to rendering first class services that meet the requirements of my employer. I also look forward to working with different developers in other to improve myself and gain experience along the way.

WORK EXPERIENCE

Lana Renovations
Front-End Developer
OCT 2024 - NOV 2024

I worked as a Frontend Developer for Mr Sal audeen. My role was to help him create a responsive website from scratch using HTML CSS, Javascript for basic front-end design. It lasted for a duration of 2 months and the source codes are available on my Github Repository.
Live Preview : https://ahmed-web-project.vercel.app/index.html

PERSONAL PROJECTS

I built a responsive social media website leveraging Jquery and vanilla Javascript for the front-end, Vanilla css for Styling. The source codes are available on my Github Repository.

Currently I'm working on an Portfolio site with Framer Motion for animations, typescript and react for the frontend, sass for styling, and Node.js for Backend.
